Design Firm Name: Lumos & Associates
Construction Contractor: Spanish Springs Construction
Contractor Phone: (775) 425-4000

Project Description & Purpose

The 2015 Sewer Rehabilitation project includes the replacement of approximately 7,900 feet of sanitary sewer at several locations throughout the City.

The sewer replacements on East Fourth Street were selected in coordination with the Regional Transportation Commission (RTC) Bus Rapid Transit project that is scheduled for construction in fall of 2016. The other two areas, Sierra Street and Manzanita Lane, are a high priority for replacement.

Latest News September 2015

Sierra Street Area work is complete. Minor punch list items remain to be completed at the end of September.

The contractor is continuing with sewer main installation work in the Manzanita Lane and East 4th Street Areas. The pipe installation is scheduled to be complete by the end of September. Concrete and asphalt restoration will follow and final completion by mid October.
